A woman with curly brown hair, wearing a black top, is seated in a black car seat, looking towards the camera with a slight smile. The background is a blue studio backdrop. Overlaid on the image is a mobile application interface. At the top, a message reads: "Would you like me to let the other attendees know, and connect you when it starts? 8:40AM". Below this are two large blue buttons: "YES" on the left and "NO" on the right. The main content area of the app includes a map with a red arrow indicating a route, a "DIRECTIONS" button, an "FM Radio" section showing "90.3 MHz - KEXP" and "The Morning Show" with AM and FM buttons, and a "Likes" section with radio station frequencies: 90.3, 107.7, 97.3, 104.9, and 105.3. At the bottom, there is an "Alerts" section with a calendar icon and the text "9 AM - Packaging Review Room 305".

Lily Nguyen Yesterday 6:03 PM
In our Friday account planning meeting, I would like to hear about the subsidies we can offer Proseware for adopting our beta lines. These are a big hit with my FY15 accounts before being discontinued but this year they came back. We are poised for a great year and this could be the opportunity that pushes us over the threshold and win account team of the year. We could all use a good trip to Hawaii!!!
